FORWARD

The local history boom of the 1880's resulted in the publication of histories of many of the Counties in the United States. The formula followed by most of the compilers was similar, but the quality of their productions varied greatly.

Very high in quality is THE HISTORY OF HUNTERDON AND SOMERSET COUNTIES, NEW JERSEY, which was compiled by James P. Snell in 1881. This particular project was favored from its inception both by the ability of the compiler and by the assistance he was to receive from a group which included well-qualified historians in the two counties. We can find among the acknowledgements in the original preface several known to have been scholarly researchers and gifted authors.

The preface of the original edition sets forth Mr. Snell's designs, methods, and hopes. Ninety-five years later, his work having become the standard reference on county history for Hunterdon and Somerset, it is a distinct pleasure to observe how well these original designs and hopes have been fulfilled.

The Hunterdon County Cultural and Heritage Commission and the Hunterdon County Historical Society have noted the ever-increasing demand for this volume as well as the scarcity of the original printing. We are reprinting this very fine source of local history to make it available to the student as well as the general reader.

PATRIOTISM UNDER WAR BURDENS.

The following minutes of a public meeting at Millstone, about July, 1779, are interesting as evidence of the pressure of the burdens of the war, and the patriotic spirit in which it was proposed to meet them:

"At a meeting of the electors of the County of Somerset, pursuant to notice by advertisement on Thursday, 3d inst., at the Court-House of said county,

"The business of the meeting being introduced and discussed, the following resolutions were adopted:

"*Whereas*, The concurrence of a variety of causes, the bills of credit emitted under authority of the United States in Congress assembled, have greatly depreciated in their value, and in addition to the quantity circulating will tend to increase such depreciation; therefore

"*Resolved*, That a petition be presented to the Legislature, requesting them to make application to Congress on behalf of this State, that the emission of bills of credit be henceforth discontinued.

"*Resolved*, That the Legislature be requested to make application as aforesaid, that a plan be adopted and recommended for a general limitation of prices throughout the United States, according to which such prices may be diminished slowly from the present time or at stated periods and by small differences, until the quantity of money be reduced by taxation to what is necessary for a circulating medium.

"*And whereas*, Taxation is the most natural and beneficial source from which to derive the supplies necessary for supporting the army and carrying on the war,

"*Resolved*, That the Legislature be requested to make application as aforesaid that requisitions of taxes be henceforward made on the States for the above purposes; and that to avoid as far as possible the expense of purchasing in the modes hitherto practiced, and the necessity of such large circulations of money through the public treasury, a just quota of provisions, forage, and other necessaries for the army be laid upon each State in such kind as they are severally suited to produce, to be paid in the way of tax at regulated prices by those who raise them, while those who do not, pay a fair proportion in money.

"*Resolved*, That it be expressed to the Legislature as the sense of this meeting that on levying all future taxes and aids for the use of the State and Union in general, the assessments be made according to the value of all property possessed by each individual, it being reasonable that persons should be taxed for their money, their income, the faculty and means of acquiring property, or for any estate whatsoever.

"*Whereas*, There is great reason to believe that many persons employed in various branches of the public department of the United States are guilty of mismanagement and fraud in the execution of their trust and applying the public money, and there being no ready and regular mode presented by public authority, of which such as are disposed may avail themselves, to furnish the necessary information to those who have the power to correct such abuses and thereby prevent unnecessary increase of the public burdens,

"*Resolved*, That the Legislature be requested to direct some convenient and adequate means of collecting and transmitting to Congress, or to such Board or Committee by them appointed as may be adequate in point of jurisdiction, or to the executive power of the State in cases where that is competent, all such authentic evidences and documents as can be procured, that the guilty may be punished and the faithful servants of the public may be rescued from that indiscriminate censure which the bad and unworthy bring upon all, and that we will exert our utmost endeavors for effecting so laudable a purpose.

"*Whereas*, Virtue and good morals are not only productive of individual happiness, but have a great and extensive good effect upon the political state of every government when they are cultivated,

"*Resolved*, That we will by our example and influence endeavor to promote these, and will look upon it as the course of duty to support and strengthen the arm of the civil authority in detecting and bringing to deserved punishment all such as are guilty of profanity, immorality, extravagance, idleness and dissipation, of extortion, sharping and oppression, and of all such practices as tend to the unjust advantage of individuals and detriment of the community.

"*Ordered*, That a representation and petition to the Legislature be drawn up pursuant to these resolutions and signed by the chairman, and that the representatives of this county be requested to lay the same before the respective house.

"Extracted from the minutes of proceedings and published by order.

"WM. C. HASTON,
"*Chairman*."

RECORD OF PROCESSES AGAINST FORFEITED ESTATES IN SOMERSET, 1779.

The following is but a sample of many of the inquisitions of the courts of both Hunterdon and Somerset Counties during the Revolutionary period:

"*Somerset, to wit.* The State of New Jersey to Jacob Berger, Frederick Frelinghuysen, and Hendrick Willson, commissioners duly appointed for said county on the part and behalf of the said State to take and dispose of for the use and benefit of the same, the estates of certain fugitives and offenders in the said county, or to any two or more of them, greeting:

"*Whereas*, Lately, that is to say of the term of January, in the year of our Lord one thousand seven hundred and seventy-nine, in the Court of Common Pleas held at Hillsborough, in and for said county of Somerset, before the judges of the same court, find judgment was had and entered in favour of the said State of New Jersey, pursuant to Law, against Richard Compton, Junior, late of the county of Somerset, on an inquisition found against the said Richard Compton for joining the army of the King of Great Britain & returned to the said court, as may fully appear of record; you are therefore commanded and enjoined to sell and dispose of all and singular the lands, tenements, & Hereditaments held in fee or for term of life, and generally all the estate real, of what nature or kind soever, belonging or lately belonging to the said Richard Compton, within the said county of Somerset, according to the direction of an Act for forfeiting to and vesting in the State of New Jersey the real estate of certain Fugitives & Offenders, made and passed the eleventh day of December, in the year of our Lord one thousand seven hundred and seventy-eight.

"Witness, Peter Schenk, Esq^{r}, Judge of the said Court, at Hillsborough, the first Tuesday of January, in the year of our Lord [one thousand]* seven hundred & seventy-nine.

HUNTERDON AND SOMERSET COUNTIES IN THE REVOLUTION (Continued).

Continental Troops, First Establishment—Second Establishment—The "Jersey Line"—Recruiting-Officers and Muster-Masters—Regiments raised, and Their Officers—Militia—The Quotas of the Two Counties—"Minute-Men"—Roster of Field- and Staff-Officers—Roster of Revolutionary Soldiers from these Counties, who served in the State Militia, and Continental Army.

TROOPS FURNISHED BY THE TWO COUNTIES DURING THE WAR.

THE first Continental troops of the "Jersey Line," raised in 1775, were two battalions, designated the Eastern and Western, and subsequently the First and Second, Battalions. The First was commanded by Col. William Alexander (Lord Stirling), and, after his promotion to be brigadier-general, by Lieut.-Col. William Winds, who was raised to the rank of colo-

nel; the Second by Col. William Maxwell. The following year a third battalion was added, which was placed under the command of Col. Elias Dayton. In the fall of this year (1776) a "second establishment" of troops from New Jersey for the Continental army was made, embracing four battalions, commanded by Cols. Silas Newcomb (succeeded by Col. Matthias Ogden), Isaac Shreve, Elias Dayton, and Ephraim Martin. These formed "Maxwell's Brigade," commanded by Gen. (late colonel) William Maxwell.

A new arrangement of the American army was effected in 1778, under which, and during the campaign of 1779, the "Jersey Line" embraced three battalions. Feb. 9, 1780, Congress called upon this State for sixteen hundred and twenty men to supply the deficiency, in which volunteers were called for, large bounties offered, and recruiting-officers appointed for the several counties, those for Hunterdon and Somerset being Capt. John Mott and Capt. Nathaniel Porter, the quota of Hunterdon being eighty-four, and of Somerset fifty-four men. The "muster-masters" were Maj. Joseph Brearley for Hunterdon County, and Col. Frederick Frelinghuysen for Somerset. The three regiments thus raised were commanded by Cols. Matthias Ogden, Isaac Shreve, and Elias Dayton, respectively. Each regiment contained six companies, and they were commanded as follows:

First Regiment.—Capts. Jonathan Forman, John Flahaven, Giles Mead, Alexander Mitchell, Peter G. Voorhees, and John Holmes.

Second Regiment.—Capts. John Hollingshead, John N. Cumming, Samuel Reading, Nathaniel Bowman, Jonathan Phillips, and William Helms.

Third Regiment.—Capts. John Ross, William Gifford, Richard Cox, Jeremiah Ballard, Joseph I. Anderson, and Bateman Lloyd.

Gen. Maxwell continued to command the Jersey Brigade until July, 1780, when he resigned, and was succeeded by Col. Elias Dayton, as senior officer, who commanded the same until the close of the war.

The news of the cessation of hostilities was announced in the camp of the brigade April 19, 1783, and the Jersey Line was discharged November 3d of that year.

MILITIA.

At various times during the war New Jersey, by reason of its being continually exposed to the incursions of the British and the ravages of refugees and Indians, found it necessary to embody, as occasion required, a certain quota of volunteers from the militia of the different counties. These men were held liable to duty when needed, not only in this but in adjoining States. These organizations were called "New Jersey Levies," "Five Months' Levies," but most generally designated as "State Troops." Hunterdon and Somerset Counties furnished the following:

Under the act, passed Nov. 27, 1776, for the raising of four battalions, Somerset sent two companies, Hunterdon four. Of the battalion, comprising these six companies and two from Sussex, David Chambers was colonel, Jacob West lieutenant-colonel, and Enos Kelsey major.

Under the call of Oct. 9, 1779, for four thousand volunteers to continue in service until Dec. 20, 1779, one regiment of ten companies was raised in Somerset, Sussex, Morris, and Bergen, and another regiment of equal size in Hunterdon and Burlington Counties. Other calls were made,—viz., June 7th and 14th, for six hundred and twenty-four men each, whose term was to expire Jan. 1, 1781; and Dec. 26, 1780, for eight hundred and twenty-four men, whose term was to expire Jan. 1, 1782; Dec. 29, 1781, four hundred and twenty-two men, for service until Dec. 15, 1782.

On June 3, 1775, the Provincial Congress of New Jersey passed an act providing a "plan for regulating the militia of the colony." This plan was still further considered and amended Aug. 16, 1775. After that date all officers were ordered to be commissioned by the Provincial Congress or the Committee of Safety. In the assignment then ordered Hunterdon had four and Somerset two regiments. "Minute-men" having been raised in Somerset and two other counties, in obedience to the recommendation of Continental Congress, this ordinance [of Aug. 16, 1775] ordered the several counties to furnish them, ranging from one to eight companies each, the assignment for Somerset being five, and for Hunterdon eight companies,—being one-sixth of the number raised in the whole State. These companies of "minute-men" were "held in constant readiness, on the shortest notice, to march to any place where assistance might be required, for the defense of this or any neighboring colony." They were to continue in service four months. Their uniform was a hunting-frock, similar to that of the riflemen in the Continental service.

In February, 1776, the Committee of Safety of New York called upon the Provincial Congress for a detachment of militia to assist in arresting Tories in Queens Co., L. I., and Staten Island, N. Y. Of the seven hundred men ordered out for that purpose, Somerset County furnished one hundred. Another detachment of minute-men was ordered, Feb. 15, 1776, to proceed to New York. This was commanded by Charles Stewart, colonel; Mark Thompson, lieutenant-colonel; Frederick Frelinghuysen, first major; and Thomas Henderson, second major. Feb. 29, 1776, the remnants of the minute-men were incorporated in the militia of the districts where they resided.

June 3, 1776, the Continental Congress called for thirteen thousand eight hundred militia, the quota of New Jersey being three thousand three hundred. Hunterdon and Somerset furnished one of the five battalions required, in the proportion of five companies from the first-named and three companies from the last-named county. The battalion was commanded by Stephen Hunt, colonel; Philip Johnson,

lieutenant-colonel; Joseph Phillips, major; and Cornelius Baldwin, surgeon.*

July 16, 1776, Congress requested the Convention of New Jersey to supply with militia the places of two thousand men of Gen. Washington's army who had been ordered into New Jersey to form the Flying Camp. Of the thirty companies of sixty-four men each, furnished under this call, Somerset provided two and Hunterdon four companies, which, with two from Sussex, comprised one of the four battalions, and its officers were Mark Thompson, colonel; Abraham Bonnell, lieutenant-colonel; Enos Kelsey, major; and Jacob Jennings, surgeon.

April 14, 1778, the militia was divided into two brigades, that of Somerset being in the first and that of Hunterdon in the second. Jan. 8, 1781, it was formed into three brigades. During the war several companies of artillery and troops of horse were raised. "The good service performed by the militia is fully recorded in history. At the fights at Quinton's Bridge, Hancock's Bridge, Three Rivers, Connecticut Farms, and Van Neste's Mills they bore an active part, while at the battles of Long Island, Trenton, Assanpink, Princeton, Germantown, Springfield, and Monmouth they performed efficient service in supporting the Continental Line."†

Pension Office 381
May 28. 1847...

Sir;

The papers in the case of Rebecca Rose widow of Charles Rose have been examined and filed with the exception of her declaration which is herewith returned that the proceedings before the Single Magistrate may be submitted to and approved by a Court of record during its session.

In order to enable the department to adjust this claim understandingly, the commencement and duration of each tour of service with the names of the Company and field Officers under whom it was performed should be clearly set forth, and evidence from the State department of New Jersey to sustain it should be procured. The records of this Office afford no ~~evidence~~ proof of Charles Rose's service.

The date of their marriage should be established by record or documentary proof if such can be obtained. It must be shown that evidence of this grade cannot be procured before the testimony of individuals can be received

The proof thus presented is wholly insufficient to establish either the date of their marriage or to establish the service of Claimant's husband

Dear Madam:

The Revolutionary War records of this bureau show that Rebecca Rose, the widow of Charles Rose, of Amwell Township, Hunterdon County, New Jersey, made application in Monongalia County, Virginia, about 1847, for a pension on account of the services of her husband in the Revolutionary War.

The papers in her application were not properly executed and were returned for amendment and on account of same her claim was suspended. The records do not show that she ever made further application.

There are no further family data on file and nothing in regard to his services.

Very truly yours

E. W. MORGAN
Acting Commissioner.

Proof for residence of your ancestor during the Revolution.

We appreciate the very fine proof you have sent with your application.The service offered has not been established as belonging only to your ancestor. We will need proof that your ancestor, Charles Rose, came from New Jersey and was a resident of that state during the time he served in the Revolution.

When reference is made to material not found in our library or files, a photocopy or a notarized exact copy of the original must be submitted. Documentation can be vital records, Bible records, church records, census records, land and probate records, gravestone inscriptions, published genealogies giving references for its statements, etc.

Re: Charles Rose
Amwell Twp., Hunterdon Co., NJ

Attn: Genealogical Division:

The enclosed papers are in reply to your correspondence of 2 June 1982, requesting further proof of the New Jersey residence of my ancestor, Charles Rose.

I am submitting copies of the Revolutionary War records from the National Archives concerning the pension application of Rebecca Rose, widow of Charles Rose of New Jersey and Monongalia, Virginia, now West Virginia. Please see the deposition of Isaac Horner, taken 27 April 1847, by James Wise, acting Justice of the Peace in Monongalia County, Virginia. Isaac Horner deposes that Charles Rose lived in Amwell Township, Hunting (sic) County, New Jersey, "rite in the seate of war".

The pension application of Rebecca Rose was rejected, R9010, for lack of names of company and field officers. I have, with my original application, submitted those which show that Charles Rose served in Capt. John Phillips' Company, 3rd Regiment, Hunterdon County Militia.

I wish to submit additional information recently received from the Hunterdon Genealogical Services, Roxanne Carkhuff, G.R.S. (Box 334, Ringoes, NJ, 08551) and other research sources, obtained since submitting my original application:

1. Charles Rose signed a petition, 1 Nov 1784, regarding payment for service, M #10341 (New Jersey Archives, Xerox copy enclosed).

2. Minutes of the Common Pleas Court, Vol XIII, page 235. John Price, guardian of Charles Rose vs Jacob Quick (New Jersey Archives, Xerox copy enclosed).

3. History of Hunterdon and Somerset Counties, New Jersey. James P. Snell. 1881. (reprint 1976). The name of Charles Rose appears as private, Capt. John Phillips' Company. (page 89).

MRS. RICHARD DENNY SHELBY
President General
National Society Daughters Of The American Revolution
Administration Building, 1776 D Street, N.W.
Washington, D.C. 20006

Dear New Member:

It is a great pleasure to welcome you as a member of the National Society of the Daughters of the American Revolution.

You are joining over 209,000 members from every State in the Union, the District of Columbia, England, France, Mexico and Venezuela, whose roots are in the past, but whose eyes look toward the future. Twenty-five National Committees offer many fields of endeavor from which you may choose your special interests, and into which you can channel your time and energy. I hope that you will soon feel a real sense of dedication and purpose in your DAR membership and that you will advance DAR influence, objectives and ideals in your geographic area.

In 1890, the Founders of the National Society chose Historic Preservation, Promotion of Education and Patriotic Endeavor as the three objectives of the fledgling organization; these objectives are just as relevant today as they were in 1890.

The National Society owns an entire city block in one of the most beautiful sections of Washington. The three handsome structures are Memorial Continental Hall (1905) and Constitution Hall (1929) connected by the Administration Building (1923, enlarged 1950). Your membership entitles you to share in this ownership and a visit to your Headquarters is cordially extended.

Enclosed are order blanks for DAR publications that will keep you informed of current activities at National and State levels and a Fact Sheet which will give you an overall picture of present-day DAR.

May your membership be a very meaningful and rewarding experience. As President General, I send every good wish to you as your association with DAR begins.

Faithfully,

Patricia W. Shelby

Dear Mrs. Fought:

It was with a great feeling of joy that I learned that my name had been submitted as a possible applicant to the Bartlesville Chapter, Daughters of the American Revolution by my friends and active members, Mrs. George Bridges and Mrs. Henry H. Comstock.

We moved from Tulsa to Bartlesville in 1974. I was employed by the U. S. Corps of Engineers as a genealogist and contract representative on the relocation of Busby Cemetery, Copan Lake project. I am, since 1978, an employee of the Bartlesville Public Library.

I am writing at this time to ask that I be considered as an applicant for membership in the Bartlesville Chapter of the Daughters of the American Revolution, our most proud and American organization in the United States.

Thank you for your time and consideration to my request.

Sincerely,

Mary R. M. Nunneley

XENIA, OHIO NEWSPAPER

Xenia Torchlight, Wednesday, 18 December 1861

On the 30th November Alsey Conner, consort of James Conner, Sen, of Ross Twp. aged 72 years. She bore affliction with christian fortitude - died in the triumphs of living faith. She shouted the evening before her death, the high praises of Jesus. She passed off like the last lingering hues of the evening, yet she lives in the hearts of all who knew her.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Great Grand Parents

8. HEINRICH METZINGER #631 born 30 AUG 1840, Mittelbexbach,[10] Occupation: Farmer, married 22 APR 1869, in Chicago Cook County Illinois,[11] MARY M THENO #3732. HEINRICH died 11 AUG 1914, Benton County Indiana,[4] Buried: 13 AUG 1914, St Mary's Cemetery Dunnington Indiana.[12] HEINRICH was the 5th son of JOHANNES MARTIN and CATHERINA SCHULZ METZINGER. According to a family history told by AUGUST (GUS) to his daughter CELE when he was 97 years old (1969) each boy was sent to America at the age of 17 in order to avoid the forced military service instituted by the King of Bavaria in his war with the French. (This part of his story is proven wrong since HEINRICH emigrated in 1867 according to German emigration records for the town of Mittelbexbach (later called Bexbach) at the age of 27 years). HEINRICH himself stated in his application for citizenship that he arrived in the United States from Havre France on 13 April 1967). Upon arrival in this country HEINRICH, as did almost all of the Metzinger family, settled in the Schuylkill County Pennsylvania vicinity and worked in the anthracite coal mines. HEINRICH lived with his brother JOHANN and his wife MAGDALENA in Mahanoy City Pa for a short time before leaving for Mineral Point Wisconsin where he worked on a farm and fed cattle in winter. According to his last surviving son NICHOLAS, one winter while cutting wood for fuel a caravan of Indians came along and asked for some tobacco which he gave to them. Upon filling their pipes they quickly loaded his wagon with the wood he had cut, thanked him and went on their way. In the spring he left Wisconsin and moved to McHenry County Illinois and worked as a farmhand. When the corn harvest was over that fall he lost his job and went to Chicago where he worked in a saloon for his room and board. He later obtained work in a lumberyard and met MARY THENO in 1869 and subsequently married. By this time his brother JOHANNES had also come west to Chicago and owned several meat markets along with a Mr Hauck. His other brother MARTIN had by this time returned from Germany with his wife and two children and the three brothers after giving the matter some thought decided that they would rather return to farming for a living. They went by train to Sheldon Illinois where they contacted a land agent who took them to Benton County Indiana where each one purchased 80 acres of land at a price of $9.00 an acre. In the spring of 1870 they moved from Chicago, each one having his own wagon for his family and all their goods including farming implements which they were taking with them. The trip took three days and upon arrival in the Benton area they lived in the upturned wagons until they could get

houses built. They built typical German immigrant houses consisting of two rooms on the first floor and a loft area which was used as bedrooms. (A house of this type can be seen in Lancaster County Pennsylvania at the Hans Herr House near Willow Street Pa). There were no roads in the county at this time and the nearest trading center was in Sheldon Illinois. Since money was tight at the time as a result of the Civil War, everything had to be bought for cash. There was no credit given. Farm implements were in short supply also and since HEINRICH only had two horses he could not plow all 80 acres the first year. He planted his first corn crop on a portion of the acreage by making a hole in the overturned sod and having his wife drop a few grains of seed in each hole. The corn he had to spare he sold to a Mr Summers who was a cattle feeder from Earl Park Indiana. On one occasion he and his brother JOHANN went to Sheldon on business and to buy supplies. On the return trip they were caught in a snowstorm and became lost. Finding an empty hunters cabin and having bought a coal stove in Sheldon they were able to keep warm over night. On another occasion while coming home before there was a bridge over Sugar Creek his team broke through the ice and HEINRICh had to wade in front of the team and break ice with a single tree from the wagon. After a few years of these types of hardships more settlers came to the area, roads and bridges were built and the County fast became settled. After living on the original homestead for some years HEINRICH sold to a Mr Finney who owned an adjacent farm and moved three and one half miles south and east to the farm eventually occupied by his grandson SYLVESTER GREIVES. This new farm was all prarie and HEINRICH had to break the sod once more. As the prarie sod was very tough he had to carry a file with him in order to sharpen the plowshares when he rested the horses. He also carried a club with which to kill the numerous snakes in the area. HENRY as he was known now raised a family of nine children and helped to establish the Roman Catholic parish in Dunnington. He was known in later years as "UNCLE HENRY" to his many friends and neighbors.

The story that his mother wanted one of the boys to return to Germany due to the illness of their father raises the question as to why she would need them since her oldest son PETER was living in Mittelbexbach at the time and was unmarried. In the 1900 census he had had 10 children with only 5 still living then. Living in Parish Grove Township Benton Co Indiana in 1880 and in Hickory Grove Township in 1900. Had MINNIE FRANZ 15 living with them as a servant in 1900, and also a farm hand GEORGE GRIEVES age 23. 1910 census ____ -06-09-25 Benton Co Indiana living next to ROBERT SCHILLING. SISTER DEAD AT IOLA.

Will Hendricks, of This City, Brother of Mrs. O. O. Mitchem, Went There Saturday and to Bartlesville for Funeral.

Will Hendricks, of this city, was called to Iola last Saturday by a message apprising him of the critical illness of his sister, Mrs. O. O. Mitchem, 73, who died shortly after he arrived there at the home of her daughter, Mrs. Myrtle Groves. She had lived in Iola the past ten years, moving to that city following the death of her husband at Bartlesville.

Funeral services were held at 2:30 o'clock Tuesday afternoon at Bartlesville and interment was made in the White Rose cemetery in that city by the side of her husband.

Mrs. Mitchem was an early day Oswego girl, daughter of the late Judge and Mrs. J. W. Hendricks.

Dear Margaret,

Thanks for the latest material concerning the Jothan and Elizabeth Rose family of Scotland Co. Mo. I was sorry that there was not an obit of any kind for Jotham. He had lived in the area since mid-1860 and owned considerable land over the years, so thought he might "rate" a small death notice. Maybe he is listed in a county history of the area, or maybe he just lived quietly and did nothing exciting!!

I know of no Fowler connection other than the marriage of Jotham's and Elizabeth's dau, Hannah ROSE to Emanuel Fowler. Hannah ROSE FOWLER apparently died before the 1880 census, as did Emanuel Fowler. Their location of burial is unknown, but probably in Scotland Co., MO. Also, the son of Jothan Rose and wife, Elizabeth, a Thomas J. Rose, age 15 in 1860, also disappears after the 1860 census. The parents of Jotham Rose, Thomas and Ruth Scudder Rose, may have, also, come to Scotland Co. The War of 1812 bounty land warrant for Thomas Rose of Monongalia Co. VA in 1853-54, said "send directly to Memphis, Missouri". This indicates to me that Thomas and Ruth Rose had followed their three children from VA to MO after 1850. As you see, I have a LARGE amount of work to do on this line.

I have no connection to the Bozarth/Rose lines, but am familiar with this connection. I believe this Bozarth to have been in the same area as my Rose family, Monongalia Co. VA (now W VA). My Rose family did not come to Monongalia Co. VA until about 1796. The Bozarths were apparently in the area of Monongalia as early as 1744 from Frederick Co. VA. I have a book, now out of print, title "Now and long ago", by Glenn D. Lough. It has a reference and some material concerning this Bozarth family (Jonathan, John and Cornelius). It is a 700 page book, but has only a partial index, making it quite hard to use. If your Bozarths were in this area, let me know and I will try to find their names mentioned and will copy the material for you.

Thanks again for the research and if you ever run across anyone researching Jotham and Elizabeth Remley Rose, their children Hannah ROSE Fowler (1844-?) and Thomas J. Rose (1845-?), or Jotham's parents, Thomas and Ruth Scudder Rose, please give them my name. By the way, a distant cousin from Washington State just sent me a copy of the will of Jotham Rose which you did not locate in Scotland Co. I am sorry to say it has neither Book #, nor Page #. It makes me wonder if it is in some county other than Scotland?? Someone sent it to my cousin years ago and she presumes it was in Scotland since Jotham states he is of Scotland Co. MO.

Let me know if you want the Bozarth material.

Sincerely,

Mary Nunneley

Hi Sandra,

Glad my message finally got through to you. Computers sure are nice, but,
they can be unbelievably fickle at times in my opinion!!!

Actually I was going to submit a 2nd request for the CADI. I am researching
my husband's family. His gggrandfather came to the US from Switzerland in
1858, served in the Civil War, settled in Indiana, married and had 9
children. I have been able to locate 7 of the kids, all but the 2
youngest,

a son and a daughter. Only thing anyone knew was that those 2 youngest went to California. I was finally able to determine the son, who moved around all over the U.S. and Canada, died in California, when Vital Search released it's info. on CA. births and deaths on the Internet a few weeks ago. Problem with Vital Search was they wanted $29 to send death date info., etc. That was when I found the website with your CA lookups, and you filled in the info. I still needed, namely that the person I found was, in fact, who I was looking for, and the death date, and county of death. I was thrilled when I saw the info. you sent. I have been looking for him for a long time.

The daughter I can't find also went to California. I found a woman on the SSDI that I think is her. Her name was Blanche Pauline (Wuthrich) Churchill. The name I found in SSDI is Pauline Churchill, so I am thinking she used her middle name. Blanche Pauline was born Mar. 1876, Pauline I found in SSDI was also born in Mar. 1876. If you could check on this, I would be grateful.

The women in the SSDI is Pauline Churchill, born March 22, 1876
Died in California, location unknown, in June 1965.

If it is my Blanche Pauline, her father's name was Wuthrich, mother's name Spangler. She was born in Indiana.

Thanks again, Carol

JOHN WUTHRICH, SOLDIER, ANSWERS LAST ROLLCALL

John Wuthrich, a veteran of the war for the union, died last evening about half past six o'clock, at his home on North Detroit street, after an illness of several months from the firmities of age. Mr. LeCount, pastor of the Presbyterian church will have charge of the funeral service, at two o'clock Saturday afternoon, at the residence.

Mrs. Wuthrich and nine children are the surviving members of the family.

Mr. and Mrs. Wuthrich celebrated their golden wedding, Saturday, August 20, 1914, at which time all the children-and all of the children born to Mr. and Mrs. Wuthrich are living-traveled an aggregate of twenty-two thousand miles to be with their parents on that occasion.

These nine children--forming one of the most remarkable families in LaGrange county--are Arthur S. Wuthrich of South Bend; Mrs. J. A. Gage of Texico, Illinois; Mabel E. Wuthrich of LaGrange; Maude C. Wuthrich of Calgary, Alberta, Canada; Charles C. Wuthrich of Duluth, Minnesota; Guy S. Wuthrich of Louisville, Kenturcky; Omar S. Wuthrich of Souris, Manitoba, Canada; Mrs. J. B. Churchill of Bartlesville, Oklahoma, and Clyde G. Wuthrich of Calgary, Canada.

Mr. Wuthrich was born in Switzerland seventy-nine years ago last month. He came to the United States in 1858 and located in this county, his home until his death. He enlisted in Company F of the Eighty-Eighth regiment Indiana Volunteer Infantry, August 4, 1862, and was a faithful soldier until he received an honorable discharge, April 16, 1864. Mr. and Mrs. Wuthrich were married August 29, 1864, at Lexington, now Brighton, in Greenfield township, by John Plank, a pioneer German Baptist minister.

Mrs. Wuthrich was born in Germany and was the daughter of Jacob and Mary Spangler, pioneers in LaGrange county.

Mr. Wuthrich lived a long and useful life. He accepted every duty and every responsibility, even offering his life for his county.

He has now answered the last call, and he met death as bravely and simply as he lived, without fear or trembling, holding fast to the faith that had sustained him all along the way.

Note from submitter: our records indicate marriage took place 9/20/1864.

president of Middlebury College. Excellent educational advantages were accorded him, for his public school training was supplemented by a course of study in Worcester Academy of Worcester, Massachusetts, and in Colgate Academy of Hamilton, New York. His professional training was received as a law student in the University of Michigan, from which he was graduated as a member of the class of 1904. That year witnessed his arrival in Muskogee, Indian Territory, and here he entered into a law partnership with W. H. H. Clayton, Jr., son of Judge W. H. H. Clayton. Since severing that connection, however, he has engaged in general practice, first with William H. Davis, now of Spokane, Washington, and later with Charles P. Gotwals. He is faithful to his clients, fair to his adversaries and candid to the court. For a period of twelve years, beginning in 1907, he acted as referee in bankruptcy. His professional connections are with the Muskogee Bar Association, the Oklahoma State Bar Association and the American Bar Association. In commercial circles, too, he has become an active factor as president of the Muskogee Crystal Ice Company and the City Ice & Cold Storage Company, these two enterprises having been developed to large proportions under his able direction.

On the 15th of April, 1908, Mr. Brainerd was united in marriage to Miss Edith Hubbard of Muskogee, and they have become parents of five daughters, namely: Jane, Bettie Maris, Frances Rockwell, Ethel and Edith. Mr. Brainerd is a Knight Templar and a member of the Mystic Shrine and is likewise identified with the Benevolent Protective Order of Elks. He is also a popular member of the Town & Country Club.

JOHN BROWN CHURCHILL.

In the demise of John Brown Churchill, Bartlesville lost one of its most highly respected and public-spirited citizens, who during the period of his residence in Washington county, took a most active and helpful part in promoting the work of public progress and improvement and left the impress of his individuality for good upon many lines of the state's development and upbuilding. He was born in Hodgenville, Kentucky, September

28, 1867, and traced his lineage back to the noted Churchill family of England. His parents were William and Gillie Ann (Allen) Churchill, who were also natives of the Blue Grass state, and the father devoted his attention to agricultural pursuits.

John Brown Churchill's education was acquired in the grammar schools of Hodgenville and he attended high school in Kansas, going to that state when sixteen years of age. There he took up a homestead, which he improved and developed, and later he traveled out of Kansas for the Emerson-Newton Company, implement dealers, continuing to fill that position for fifteen years and gaining broad experience along business lines. In 1903 he came to Bartlesville and here made his home until his demise. He played an important part in developing the rich oil fields of this section of the state, purchasing oil property at Copan, in Washington county, which proved to be a splendid investment, and the wells are still operated by his widow. In association with others he laid out and sold a tract of thirty-five acres, constituting the greater part of the town of Copan, and his interests were most capably and judiciously conducted, a spirit of marked enterprise actuating him throughout his business career.

In 1904 Mr. Churchill was united in marriage to Miss Pauline Wuthrich, a daughter of John and Julia (Spangler) Wuthrich, the former a native of Switzerland and the latter of Germany. Mrs. Churchill was born on a farm in Lagrange county, Indiana, and was educated in the schools of Lima, that state. She now resides in a beautiful home at No. 1009 Osage avenue and has many friends in this locality.

Mr. Churchill passed away on March 22, 1917, thirteen hours after the demise of his father, in the faith of the Baptist church, of which he was an earnest and helpful member, guiding his life by its teachings. In Masonry he had attained the thirty-second degree and his political allegiance was given to the democratic party. His fellow citizens, recognizing his worth and ability, called him to public office and he was elected clerk of the district court of Washington county, in which position he served for three years, being the first incumbent in that office following the admission of Oklahoma to statehood. He was afterward made assessor, acting in that capacity for two years, and in both connections he made a most creditable record, characterized by efficiency and devotion to duty. He was a man of generous impulses and no good

work done in the name of charity or religion sought his aid in vain. He was ever free from ostentation in his giving, preferring that no one but the recipient should know of his beneficence. Pre-eminently public-spirited, he took the deepest interest in everything that pertained to the welfare and advancement of his community along material, intellectual, social, political and moral lines. A self-educated and self-made man, his high ideals, irreproachable character and incorruptible integrity fully entitled him to the esteem which was universally accorded him.

REV. JOSEPH FRANKLIN THOMPSON.

Rev. Joseph Franklin Thompson, librarian of the Carnegie Library at Tahlequah and superannuated minister of the Methodist Episcopal church, South, having been retired since 1906, was born May 21, 1841, near Maysville, Arkansas, in what was then the Cherokee Nation, Indian Territory. His parents, both of whom are deceased, were James Allen and Martha (Lynch) Thompson, the former a native of South Carolina and the latter a native of Virginia and a member of an old Cherokee family there. Mr. and Mrs. Thompson were married in Georgia and came to Beattie's Prairie in 1838, with a detachment of Cherokees under Richard Taylor, superintendent of the Cherokee Nation. The father engaged in farming and in the conduct of a mercantile establishment there, achieving more than substantial success. He died in January, 1876. His wife passed away in October, 1872. Six sons and five daughters were born to their union, Joseph Franklin, whose name initiates this review, being the youngest child.

In the acquirement of an education Joseph Franklin Thompson attended the schools of the Cherokee Nation and in due time enrolled as a student in the Tahlequah Male Seminary, graduating from the Cumberland University at Lebanon, Tennessee, in 1861, with the A. B. degree. After leaving school he enlisted for service in the Civil war and served as sergeant major for some time, receiving constant promotion until he became lieutenant colonel. At the close of the war he returned to the Cherokee Nation and in 1868 was appointed auditor of accounts by Hon. James Vann

Meacham / Miles Family Bible

Submitted August, 1998 by:

This information was copied directly from what I call the Meacham/Miles Family Bible on July 8, 1998. I call it this because the earliest records are on the Meachams and then there are Miles records too. Elijah D. Meacham married Francis Miles March 9, 1837, (according to her pension application after Elijah died Oct. 26, 1851), they did not have any children together that I am aware of and none are listed in the bible either. Elijah was born in Enfield Connecticut and served in the rev. war from there before moving to Montgomery Co. Va, where he first purchased land in 1804 for 50 pounds.

There is a marriage record in Montgomery Co. for an Elijah D. Meacham and Elizabeth Smith Nov. 9, 1782 but according to bible (as you will see), his wife's name was Sarah, I think it could be that her name was Sarah Elizabeth, but only a hopeful guess.

One more thing that those interested in the Meacham family may find interesting is that the land that Elijah bought in 1804 was left by him to his second wife, Francis (Miles) Meacham and is still in the Miles family today.

[One more note, I compared the writing in the bible about the Meachams with Elijah D. Meacham's signature on his 1818 pension application and they appear to be the same. So I am assuming that Elijah wrote that information himself.]

State of Virginia. towit

On this sixth day of October, in the year one thousand eight hundred & eighteen, before me the subscriber, one of the Judges of the General Court of Virginia allotted by law to the thirteenth Circuit, which comprehends the **County of Montgomery**, personally appeared **Ichabod Meacham**, aged fifty nine years, resident in the County & State aforesaid, who being by me first duly sworn according to law, doth, on his oath, make the following declaration, in order to obtain the provision made by the late act of Congress entitled, "An act to provide for certain persons engaged in the land & naval services of the United States during the revolutionary war": That he the said **Ichabod Meacham** enlisted, as a private, in the military service of the United States, with Captain Ebenezer Sullivan, and belonged to the Regiment commanded by Colonel John Pattersen, of the Massachusetts line, on Continental establishment, in the month of December of the year seventeen hundred & seventy five [see note below]: That he was taken prisoner at the Indian massacre of the Cedars, in Canada, on the twenty eighth day of May seventeen hundred & seventy six [see note below], and after a captivity of nine weeks, amongst the Savages, he escaped from them, and reached a British post on the River St. Lawrence, where he was detained a prisoner six or eight weeks, and was then sent to Montreal, from there to Quebec, and Halifax [Nova Scotia], where he was put on board a prison ship, which he thinks was called the Bologna, and remained in her until he was exchanged in the month of July 1777: that immediately after his exchange, he enlisted in with Captain Thomas Lamb, of the Regiment commanded by Colonel Henry Jackson, belonging to the Massachusetts line on Continental establishment: that he continued in service two years, the full term of his enlistment, and was discharged at Point Duty, in Rhode Island: that he was in the battles of Monmouth [28 June 1778], & White Marsh [6 Dec 1777]: that he afterwards entered as a marine, on board the ship Trumbull, commanded by Captain James Dickinson, and was wounded in an action with the British ship Watts [sic: see note below], having his right arm broken, and his right side severely injured by a splinter: that he was sent to a hospital in Boston, where he remained until his ship went again to sea, before he had sufficiently recovered from his wound to go on board, and was taken by the British ship of War Rainbow. His engagements being then at an end, he returned to his home: that he has lost his discharge, and has no other evidence of his said services now in his power: and that from his reduced circumstances he stands in need of the assistance of his country for support.

NOTES:

At the time of Meachum's enlistment Col. John Paterson was Colonel of a militia regiment. It became the 15th Massachusetts Continental Infantry Regiment on 1 Jan 1776.

The campaign at "The Cedars," some 40 miles north of Montréal, was part of the misguided attempt by Congress to win Canada over to the American cause. While Benjamin Franklin and others were active in Canada on the diplomatic front, some 7000 Americans under the then-loyal Benedict Arnold made a show of military force. The futility of the effort became apparent after the British fleet sailed up the St. Lawrence River. On 21 May 1776 the 390 demoralized troops at The Cedars surrendered to a force of 500 Indians and a small number of Canadians and Britons. Some of the Continental troops managed to reach safety at Fort Ticonderoga, but others, like Meachum, were held by the Indians. Contrary to Meachum's characterization of the engagement, relatively few were killed by the Indians.

The *Trumbull* was commanded by Captain James Nicholson (not Dickenson) and engaged the *Watt* two hundred miles north of Bermuda on 2 June 1780. It was probably the severest sea battle of the war.

The file includes a schedule of property, as required by the act of 1820, that is mostly illegible in the online copy. It appears, however, that in it Meachum gave his age as 67 on 3 Oct 1820, listed his property as one mare age 26 and necessary clothing, and stated that he had no children living with him. He signed his own name as "**Ichabod Meachum**."

Birth:	Sep. 7, 1882 Bluffton Wells County Indiana, USA

LEAD BELT NEWS, FLAT RIVER, ST. FRANCOIS COUNTY MISSOURI / WEDNESDAY, MARCH 11, 1959

ELDERLY MAN FOUND DEAD IN KNOB LICK

Sylvester Elwood Ratliff, 76, was found dead in bed at his home in Knob Lick, Wednesday evening, March 4. A former resident of St. Louis, he had moved the previous Sunday to a home he purchased in Knob Lick, and was last seen on Sunday evening at nine o'clock, when he made some purchases at the John LaChance Store in that community.
LaChance and other residents of Knob Lick, who had not seen him around for several days, went to the house Wednesday evening and looking through a window saw him lying on the floor. Sheriff Mullins was notified, and went to the place, breaking a window to gain entrance. He had apparently been dead since Sundy night. The body was moved to the Miller Funeral Home and Coroner Berl Miller conducted an investigation. After determining he died of natural causes, no inquest was held.
Funeral services were held from the McLaughlin Funeral Home in St. Louis.
Ratliff is survived by his wife and several children.
Sheriff Mullins stated that he had stopped at the Ratliff house on Monday afternoon to make inquiry of another person, and found the door locked. A large dog inside the house, barked loudly and the Sheriff went on his way, thinking no one was at home.

>Hello Mary,

Sorry this reply has taken so long. I was on vacation last week. Yes, we do have the record. Your uncle was buried at St. Matthew Cemetery here in St. Louis, however the lot and grave number was not listed. St. Matthew Cemetery phone number is 314 481-9033.

Hope that helps!

It's interesting how he was found dead in bed and in the next paragraph he was lying on the floor when they peered in the window. Just an observation.

Subject: [MOSTFRAN] Sylvester Elwood Ratliff Found Dead In Knob Lick (1959)

ELDERLY MAN FOUND DEAD IN KNOB LICK
Sylvester Elwood Ratliff, 78, was found dead in bed at his home in Knob Lick, Wednesday evening, March 4. A former resident of St. Louis, he had moved the previous Sunday to a home he purchased in Knob Lick, and was last seen on Sunday evening at nine o'clock, when he made some purchases at the John LaChance Store in that community.
LaChance and other residents of Knob Lick, who had not seen him around for several days, went to the house Wednesday evening and looking through a window saw him lying on the floor. Sheriff Mullins was notified, and went to the place, breaking a window to gain entrance. He had apparently been dead since Sunday night. The body was moved to the Miller Funeral Home and Coroner Berl Miller conducted an investigation. After determining he died of natural causes, no inquest was held.
Funeral services were held from the McLaughlin Funeral Home in St. Louis. Ratliff is survived by his wife and several children.
Sheriff Mullins stated that he had stopped at the Ratliff house on Monday afternoon to make inquiry of another person, and found the door locked. A large dog inside the house, barked loudly and the Sheriff went on his way, thinking no one was at home.

OBITUARIES

Helen Jean Metzinger Frazier

"She was a kind and gracious woman."

FRAZIER

Helen Jean Metzinger Frazier died peacefully on May 16, 2017 at the age of 83, surrounded by her loving family. She was born in Drumright on June 6, 1933 to Mabel Inez Mitchem Metzinger and Raymond Henry Metzinger, the second of the four "Metzinger girls."

Helen graduated from Drumright High School in 1951 and earned her LPN degree from Central Vo Tech in 1970.

She lived, loved, worked, and raised her family in Drumright for most of her life. In December of 1975, she married her true love, Kenneth Frank Frazier. They shared six children from that union.

She was preceded in death by her parents, Mabel Inez Mitchem Metzinger, and Raymond Henry Metzinger, two of her sisters, Nancy Anne Metzinger Phillips, and Eva Mae Metzinger Slusser, and by her loving husband, Kenneth Frank Frazier.

She is survived by her six children, Jeanne Swift of Perkins; Jo Anne Deaton and husband, Steven, of Tulsa; Jane LaCroix and husband, Steve, of Edmond; Jennifer Trosclair of Drumright; Jamie Sue Shoop and husband, Vince, of Perry; and Mike Frazier of Jennings. She is also survived by her "big" sister, Mary Ruth Metzinger Nunneley and husband, Dick, of Bartlesville.

Helen leaves fond memories behind for her many grandchildren, great-grandchildren, nieces, nephews, cousins, and friends.

Helen loved her family, her God, and her Church. She also enjoyed the simple pleasures of life - reading a good book, listening to music, spending time with friends, and taking care of her flowers.

She taught us all the importance of faith, the strength of family, the power of education, and the pleasure of a quick wit.

Her signature endearment to all her loved ones was a heartfelt "love you bunches!" We mourn her loss, but rejoice that she is reunited with those she loved who departed before her. We "love you bunches," dear one, and we always will!

In lieu of flowers, the family suggests donations in Helen's name to the Drumright Hospital Foundation, care of Drumright Hospital, 610 West Bypass, Drumright, OK 74030.

Funeral services were held on May 19, 2017 at St. Mary's Catholic Church in Drumright. Father Emmanuel Nduka and Deacon Kenny Longbrake officiated. Interment followed at the Oak Hill Cemetery. Funeral arrangements were under the direction of the Don Smith Funeral Home.

1994-95 HALL OF FAME HONOR TEAM

1945 ORANGE BOWL CHAMPION FOOTBALL TEAM

The 1944 Tulsa football team registered an overall 8-2 record and won the 1945 Orange Bowl Championship with a 26-12 victory over Georgia Tech. Tulsa avenged a 20-18 loss from the previous year to this same Georgia Tech team in the Sugar Bowl. In 1944, the Hurricane ended the season ranked first in the nation in total offense (434.7 yards per game) and passing offense (206.3 yards per game). Team leaders included Camp Wilson (rushing) with 662 yards for a 6.4 average, Barney White (receiving) with 29 catches for 531 yards, and Perry Moss (passing and scoring) with 789 passing yards while completing 45 of 77 passes and scoring 65 points. Tulsa outscored the opposition during the 1944 season 380 to 120 points in 10 games.

1994-95 HALL OF FAME INDUCTEES

HARDY BROWN (Football, 1945-47)

An outstanding halfback who played both offense and defense for the Golden Hurricane, Hardy Brown was noted for his ferocious tackling and blocking skills. He was selected to the All-Missouri Valley Conference first team in 1945 and 1946. Brown was twice voted as the team's outstanding blocking and tackling back. He was also an outstanding punter who averaged 38.0 yards over three seasons. Brown helped lead Tulsa to a 22-9 record in his three seasons. He played on the 8-3 team in 1945 that went on to play in the Oil Bowl, and was also a member of the 9-1 squad from 1946. He played professionally with San Francisco.

CLARENCE IBA (Basketball Coach, 1949-60)

Generally accepted in Tulsa as the man who played the most vital part in rebuilding the basketball program of the Golden Hurricane, Clarence Iba recorded 137 victories while coaching for 11 seasons. In 1949, he inherited a team that had only won four of 24 games the previous season, and went on to produce a 12-11 record that year. He brought national acclaim to the Tulsa program when his 1953 team became the school's first to receive a post-season invite -- to the NIT Tournament. He led his 1955 squad to an overall 21-7 record, the Missouri Valley Conference title and an appearance in the NCAA tournament. Iba was selected as the league's Coach of the Year for the 1954-55 season.

BOB BREITENSTEIN (Football , 1962-64)

A swift and agile offensive tackle, Bob Breitenstein's strength and speed made him an outstanding blocker. He was selected to the All-Missouri Valley Conference first team and was an honorable mention All-America performer in 1964. He helped pave the way for the nation's leading total offensive unit (461.8 yards per game) and the nation's top scoring team (38.4 points per game) in 1964. Breitenstein played on the 1964 Bluebonnet Bowl team that defeated Mississippi 14-7. He went on to play seven years in the National Football League with Denver, Minnesota, Chicago and Atlanta.

WILLIE BILES (Basketball, 1971-74)

One of the most prolific scorers in Tulsa basketball history, Willie Biles averaged 22.7 points during his career. A two-time All-Missouri Valley Conference selection, Biles led the league in scoring both his junior and senior seasons. Biles earned All-America honors in 1973 and 1974. He averaged 30.3 points and 7.5 rebounds as a junior and 24.7 points and 6.8 rebounds during his senior campaign. He scored 788 points his junior season and 641 points as a senior. Biles scored more than 40 points in eight games, including a career-high 48 points twice. He helped lead Tulsa to a 51-27 record in his three seasons. He was drafted by the NBA's Golden State Warriors.

Johnson's Centennial Birthday

Mrs. Versie Johnson, a resident of Good Samaritan Home in Hobart and a former resident of Granite, celebrated her 100th birthday on Tuesday, December 27th, at the Home with several family members and friends as guests. Cake and punch were served. Guests were her brother, [illegible] Howard of Blackwell

on October 30 when a niece and husband, Joyce and Calvin Weber of Cordell, and a nephew and wife, Bob and Charlene Howard of Mesa, Arizona, brought in birthday party refreshments and gifts because neither couple would be available to attend the party with the rest of the family on December 27. Then Mrs. Weber and her grandson, Matthew Cowan of Seal Beach, California, a great

Former Visitor Recalls Beauty Of A Granite Christmas Sight

Mildred Matheny received the following article from a friend, Bobbie Owen of Jacksboro, Texas. The article originally appeared in the *Wichita Falls Times and Record News* before Christmas. Mildred thought you might enjoy reading it.

JERRY NABORS, co-owner of Graphics II advertising agency, grew up on a small farm in Oklahoma. Some of his best memories center around the family and their 1950 Studebaker.

"Bullet nose. Dove gray. Three-speed and blackwalls," he recalled.

It was the Chicken Roost he remembered most of all. A bed slat, 1-by-6, unfinished plank, perched perfectly on the back seat arm rests of the old Studebaker made a perfect seat for boys 4 and 5 years of age to sit on during family outings to the drive-in movies.

Jerry's mother named it the Chicken Roost because of the way chickens climb upon a roost at night to stay out of harm's way. The boys also used it during family trips. It was the annual Christmas journey to Granite, Oklahoma, that Jerry remembers most.

Winding through the night on Christmas Eve, destination Granite. The town of 300 is appropriately named because everywhere you look, you see granite.

"If you ever go to Granite," Nabors said, "go at night. Go in December. Go right before Christmas time.

He can recall turning the gray ghost slowly north on Main. It would be peacefully quiet, cold and dark.

The car would roll to a stop, Nabors said. He would look straight ahead. The blackened granite mountain dissolved into the night, making a jagged outline against the sky.

Nabors recalled, "If you started low to the ground and let your eyes drift toward the sky, you would see it. It had to be the world's biggest Christmas tree. Outlined in colored lights with the biggest brightest star I've every seen on top."

It was a memorable scene. One he and his brother would absorb many times aboard the Chicken Roost.

Miracle Shot Saves JHS Panthers

Kevin Calhoun launched a half court shot at the buzzer from Navajos and to beat Navajo junior high boys 37-35. Granite junior high roundballers got off to a slow start and fell behind Navajo by five in the first period.

Navajo kept the lead until the fourth quarter when Granite overtook them and built their own four point lead. A Navajo field goal and freeshot put the Indians within one. A Granite turnover in the last minute allowed Navajo a shot from the baseline to go ahead with nine seconds left. Granite made the long inbounds pass in to an open player down the floor; however a second turnover at a critical time took the ball out of Granite's hands and gave Navajo the ball out of bounds with four seconds remaining.

A tough face guard press resulted in Kevin Calhoun stealing the ball at half court and turning to throw up a desperation shoot which was still airborne while the buzzer sounded. Navajo's celebration turned to disbelief as the shot rolled in giving the Panthers a 37-35 win. Jay Gilchrist had 13, Brad Nunnelly 8, B.J. Brignon 6, Kevin Calhoun 6 and Michael Morris 4 in their fourth win. The junior high returns to action against Lone Wolf on Monday at Lone Wolf.

Second Half Surge Sinks Sentinel

Granite junior high boys caught fire in the second half by scoring 30 points to down Sentinel 54-50 at Sentinel.

The junior Panthers did little right and Sentinel missed very seldom in the first half. At one time Sentinel led by as much as 23 points half way through the second quarter. Three quick baskets in the last minute of the half closed the gap to 13.

A tough press and more concentration allowed the Panthers to cut off three more points from the Bulldog lead in the third quarter.

An 18-4 fourth quarter run by Granite enabled the panthers to overtake and establish a four point lead which they kept till the end of the game.

Leading the second half charge was Kevin Calhoun with 20, B.J. Brignon with 16, Jay Gilchrist 7, Brad Nunnelly 6, and Michael Morris added 5.

The junior high boys stand three and one at this point. Coach Davis commented he had never had a team comeback to win a game after being so far behind so early. "It shows how important concentration is in this game. We didn't do that much different in the second half. We just started thinking and good things started to happen."

It has been passed down that Letty was part Cherokee but has never been proven... CHEROKEE BY BLOOD- Records of Eastern Cherokee Ancestry in the U. S. Court of Claims 1906-1910 vol. 2, Applications 1551 to 4200. Compiled by Jerry Wright Jordan; Heritage Books, Inc. 1988, pg 240 "Bertha Tabor, Greene Forest, Ark. Rejected. It does not appear that any ancestor was ever enrolled or that my ancestor was a party to the treaties of 1835-6 or '46. Shows no real Cherokee domain. Misc. Test. 2610 and 2611. Misc. Test. P. 2610. appl. #9356-2904 - Alexander McCollough: I live at Dinsmore, Ark. I am the brother of Andrew McCollough, whose number is 9357. I was born in Green Co., Ind. I was born in 1837. I claim my Indian blood through my mother, whose maiden name was Louisa Bays. I think she was born in Va. but I could not say for sure. I could not say when. she died in 1858, and about 39 years old when she died. My mother moved from Va. to Ind. and had been living in Ind. about three years when I was born. My mother and folks lived all around in Old Va., New Va. and N.C. and S.C. My grandfather and my mother slipped out just before the Indians were driven out. Out of Va. They did not want to go with the Indians is the reason they went out. My grandfather did not lived with the tribe, as I know of. My mother was pricipally raised in Ind. when I said my mother had been in Ind. about three years when I was born, I made a mistake. She began living there longer than that. My grandmother and grandfather went to Ind. with my mother and lived there. I think a right smart while. My grandmother's maiden name was Lettie Mays. Lettie Mays was born, I think, in Va., near Richmond. After she was married she lived most of her life in Ind. Before she was

married in Va., I think. She lived most of her life in Ind. She lived to be 102 years old. In 1835 she was living in Ind. I don't know where her brothers lived. I don't know where Samuel Mays, her brother lived. I have heard of two brothers she had. Jim and Samuel. I don't know where Samuel Mays moved out with the Indians or not. I don't know anything about him, whether he had any children or anything about him. Most of my relations live in Ind. I could not say whether my grandmother was a recognized member of the Cherokee tribe. I don't know whether she lived with the Indians or white people. I think at the time they left for Ind. they were living in Va. That is my understanding. We gave a man $100 to get our right in I.T. (Indian Territory) but the man did not do anything about it. An affidavit of Elizabeth Bays, the daughter of Josiah and Lettice Mayes Bays, dated 17 Sept. 1887, to establish Indian rights for the family. State of Indiana, Sullivan Co. Elizabeth says she heard her mother in conversation with David Collins residing in West Virginia, talking to relatives and say they were relatives of Pocahontas before moving to the West. She has often heard this. the heirs of her mother's family were: Millie Bays married Amos Watson; Cloa Bays married John Olingan; Walter Bays; Elizabeth Bays who married Josiah Bays; Visey Bays who married Thoma McCollough, who emigrated to the state of Arkansas forty years ago; Alfred Bays; Polly Bayes married John Uland; Jackson Bay was the father of David C. Panthers struggle to pull out final win against Duke

by Jaclyn Hogg

On Friday, Granite's luck appeared to have run out as Duke took the early lead with a score of 6 to 0. Then in the fifth inning Granite got three runs off Richard Carney's RBI single and Duke's errors.

In the sixth inning the Panthers got another run when Chris Locklear scored off Tiger errors. Granite kept trying hard, but came up a little short in the last inning giving Duke a victory with a final score of 6-4.

Others having hits for the Panthers were Gilchrist, Lamb, and Colson. Justin Hahn pitching for the Panthers, was stuck with the loss even though he struck out ten, walking three, and allowing six hits.

Now that both teams had one loss, it all came down to the final game. This proved to be a very even matchup. Both teams came up swinging the bat well and after the second inning the score was tied 1 to 1.

The Panthers struggled the second and third innings, but the bats came alive in the fourth inning with runs scoring hits by Gilchrist, Hahn, and Lamb. The Panthers remained scoreless until the seventh inning when Richard Carney stepped up and hit a solo shot into the playground over the right field fence. Then Freshman Jonathan Esparza sealed the game with his RBI triple.

In the bottom of the seventh inning, Freshman Casey Berry struck out the side to get the Panthers into Regionals. Kevin Calhoun pitched four innings, striking out two, walking three, and giving up six hits. That's when Berry came in pitching the final three innings striking out and walking three. The Granite Panthers pulled out the win with a score of 10 to 8. The Panthers are now headed to Regionals at Sentinel this coming weekend. Good luck guys!

Glickman announces CRP Early Out

WASHINGTON, April 5, 1996--Agriculture Secretary Dan Glickman announced implimentation of a 1996 Farm Bill provision that allows producers to end their CRP contracts on less environmentally sensitive lands

Glickman said that CRP contracts entered into before January 1, 1995 that have been in effect for a least five years will be eligible for early termination except those contracts applying to certain eligible for early environmentally-sensitive lands.

Contracts with the following types of land will not be eligible for early termination: land with an erodibility index greater than 15; land devoted to useful life easements; field windbreaks; grass waterways; shallow water areas; filter strips; bottom land timber on wetlands; acreage enrolled under the wetland eligibility criteria during sign-up periods eight and nine; shelter belts; and land within an average of 100 feet of a stream or other permanent body of water.

Approved contract terminations on eligible land will become effective 60 days after the producer's request is received by the local Farm Service Agency {FSA] office. Prorated CRP annual rental payments will be paid through to effective termination date. However, for 1996 spring planted crops, producers will be allowed to plant as soon as the acreage is approved for early termination.

Producers seeking to make their CRP acreage eligible for 1996 Market Transition Payments, created by the 1996 Farm Bill, must file the request to terminate the CRP contract by May 31 in order for the contract to terminate before the August 1, 1996 statutory deadline for entering into Production Flexibility Contracts. All participants with CRP acreage that has crop acreage base history will be eligible to enter into Production Flexibility Contracts at any time over the next seven years when CRP contracts expire or are terminated.

National 4-H Volunteer Week slated for April 21-27

In an effort to show appreciation to the thousands of 4-H program volunteers across the country, April 21-27 has been designated National 4-H Volunteer Week.

Oklahoma alone boasts more than 5,000 volunteers, all of whom are depended upon greatly.

Fred Rayfield, Oklahoma Cooperative Extension Service 4-H youth development specialist, said the Oklahoma 4-H program would have a hard time surviving if not for the efforts of each adult and youth volunteer.

"With the loss of county positions and staff, we most definitely depend on our volunteers to make the program work," Rayfield said. "This is especially true in counties where there isn't an agent with 4-H responsibilities. We're hoping to see a growth in volunteers in the next five years to fill in this gap."

National 4-H Volunteer Week is a great time to recognize the many benefits volunteers lend to 4-H, the world's largest youth organization.

Because volunteers are not paid in dollars for their time and effort, their enthusiasm is derived from their belief in the mission of 4-H, said Rayfield.

"Most of the 5,000 volunteers we have in Oklahoma are very busy people," he said. "Many of them hae kids in the program; many also are involved with other organizations, so their time is valuable."

"One great advantage to having volunteers is that each one can provide different and unique skills that we as Extension workers may not possess," Rayfield said. "Volunteers can focus on specific areas."

In addition, volunteers can be objective and offer constructive criticism and feedback to help enhance 4-H programs, events and activities.

Rayfield said one of his goals is to involve more volunteers who are not directly tie to the program through family members. These volunteers are more apt to diversify their time within the 4-H program rather than be tied to a specific area.

"We have a role for anyone who is interested in becoming a 4-H volunteer," he said. "Some roles take as little as three days a year; others can involve as much as 15 hours per week. We have a need for people in these roles and everything in between."

An aspect Rayfield feels is especially important is that volunteers are active in their communities. A 4-H volunteer leader can recruit more people from the community and promote the program within the community.

"There's no way Oklahoma's 4-H program would be as successful as it is without the support and leadership of our volunteers," he said. "We hope the volunteers get as much out of the program as the 4-H'ers they help. Our volunteers are the grass roots of the program."

THE BUNCH FAMILY OF VIRGINIA

1. John^1 Bunch came to Virginia before 3 Mch 1656, on which date a Mr. Gervase Dodson was granted 600 acres in Lancaster County for the transportation to Virginia of twelve persons, one of whom was "Jno Bunch". On 18 Mch 1662 John Bunch was assigned 450 acres in New Kent Co., Va. Anyone who brought new settlers to the colony was entitled by law to fifty acres for each settler - this was called a "headright", and it applied alike to indentured servants, mem who paid their own way, and to each member of the new settlers family. This explains the 600 acres granted (above) to Mr. Dodson: he received fifty acres each, for the twelve persons transpsorted to the colony. If John Bunch was at least 21 in 1662, when he was assigned the land in New Kent Co., he was born at the latest by 1641; if 17 when he arrived in Virginia, as one tradition goes, he was born earlier than that - so we assume his birthdate to have been ca 1636-41. If this John^1 married when 25, a usual way of figuring, he married ca 1661-6. There is an old tradition in East Tennessee that the first Bunch in America came here at the age of seventeen. John^1 had issue, BUNCH:
   *1. John^2 Bunch, born about 1662-7? Since John^3 Bunch (see below) was granted land as "John Bunch, Jr", we presume his fathers name was also John.
   2. Paul Bunch??. Listed on the Quit-rent Roll of King William Co., 1704; possibly the Paul who left a will in Chowan Co., N.C., in 1726. There were several Pauls; "Paul Bunch" is in Chowan & Bertie Co., N.C. records 1726-1769. Paul Bunch married in Orangeburg, S.C., 1748, Amy Winigum.

2. John Bunch^2, son of John^1 Bunch, born about 1662-7? If married at 25, he married about 1687-92. This may be the John Bunch listed on the New Kent Co., Va. Rent Roll 1704, taxed for 100 acres. He was across the river from Paul^2 taxed in King William Co., 1704. (These two were the only Bunches on that Virginia Rent Roll.) We are assuming that there was a generation between the first John (b 1636-41) and "John Bunch, Jr", who patented land in Hanover Co., Va. in 1722 - partly because John Bunch taxed for 100 acres in 1704 sounds like a younger man that the first John would have been. (DeWitt Bunch omits this generation.)
   John^2 had issue, BUNCH:
   1. John^3 Bunch, Jr, born about 1690?
      (see following page for more information)

Information from: "Parkes & Bunch on the Trail West"
by Alice Park, 1974. Park II of this book is
"The Bunches of Virginia", pages 201 through 300.

The above is from pages 206 & 207.

JOHN BUNCH, son of John Bunch, the first in America, was probably born about 1661-1667. This is probably the John Bunch listed on the New 1704? Kent County, Va., Rent Roll, in Parish of St. Peters and St. Paul, land held by Her Majesty. (Plantation of Colonial Virginia, by Thomas J. Wertenberger, pp 215-216). There is a John Bunch mentioned in St. Pauls Vestry Book, which may be this one, in 1719 and 1720. Information on wife omitted - see below.
This John Bunch is omitted by DeWitt Bunch in his BUNCH FAMILY RECORD. It seems to me that there is a generation here; there is no proof either way. If I am correct, then this John Bunch was probably the father of:

1. JOHN BUNCH, Jr. born perhaps about 1690. The following Are FACTS concerning him:

1719 & 1720	John Bunch, mentioned in St. Pauls Vestry Book
1722	Granted 400 acres in Hanover Co (later Louisa Co) Va.
1725	Granted 400 acres in Hanover Co (later Louisa Co) Va.
1728	Granted 400 acres in Hanover Co (later Louisa Co) Va.
1730	John & William Bunch killed two wolves in Goochland Co.
1742	14 Mch. Deed recorded Louisa Co (Bk A, part 1, p.48,49, 40) Mentions that John Bunch, deceased, left land to five sons, John, William Henry, David & James. (We believe the name of Samuel was inadvertedly omitted).
1770	"Rebecca Bunch departed this life on the 16th day of March, 1770" (First entry in the Bible record of David Bunch, a son).

Omitted above: There is a marriage record, filed in the Church Archives Family Group Sheets, LDS Library, Salt Lake City; 16 Nov. 1691, in Henrico County, Va., John Bunch to Mrs. Temperance Bates, the widow of Edward Bates. I have not verified this. If correct, this could be a marriage record of John Bunch, son of John Bunch, the immigrant.

"I am informed that the Bunch family was first known in Flanders and migrated to Scotland during religious uprisings and were known to have lived there for 400 years. The earliest record of the family in America is that of JOHN BUNCH who came to Virginia about 1652. Due to the destruction of public records in that part of Virginia successively known as York, New Kent, Hanover and Louisa Counties, where records were destroyed during the Civil War, I have been unable to trace the family between 1651 and 1742."

LEGEND

"There is an old tradition in East Tennessee that the first Bunch in this country was a ship-wrecked lad on the coast of Virginia. In his teens he joined a party to recover some prisoners and property taken by the Indians. Getting ahead of the Indians they concealed themselves behind some logs. The Captain ordered them to fire as the Indians were straggling along. Bunch waved his hand and said, "Wait, and let's bunch them!" Finally, when the Indians got together, they fired, large numbers were killed, and the prisoners recovered. There are several versions of this, and in one it is said that the first Bunch in the present East Tennessee was a ship-wrecked youngster, another has it that the first Bunch came over at the age of 17. Unless my recollection of history is wrong, there was no East Tennessee until at least 100 years after John Bunch came to New Kent County in Virginia."

1. John^3 Bunch, Jr.,(son of John^2; son of John^1), was born about 1690 or before. (This date is guesswork: John^3 was at least 21 when he patented the 400 acres in 1722, so he was born by 1701; however, his son David was born 1722, and is listed as the 4th son - if his oldest son was born 1716, John^3 was married about 1715, and if 25 at that time, he was born about 1690.) John^3 Bunch died before 14 Mch 1742 (Deed in Louisa Co., Va (BookA,48-50) refers to the division of his estate by his will). He married about 1715, to Rebecca ?, born about 1699; died 16 March 1770. John^3 Bunch patented 400 acres of land on 18 Feb 1722,"on upper side of Taylor's Creek" in Hanover Co., Fredericksville Parish (now in Louisa Co). Taylors Creek rises in Louisa Co. near the Hanover Co. line, and flows through Hanover Co., but the land patented apparently was within Louisa Co. when the latter was formed, 1742, for the land grant is referred to in a Louisa Co., deed: ie, John^4 Bunch bought from William and Henry Bunch 120 acres in Louisa Co (60 acres from each), "part of a survey of 400 acres patented by John Bunch, dec'd, and by the will of said John left 100 acres to this purchaser, his son, John Bunch; the remainder to be equally devided betwixt William, Henry, David and James Bunch, also his sons). (Will of John^3 Bunch evidently recorded in Hanover Co before formation of Louisa from Hanover. Hanover county records destroyed during Civil War).
   John^3 Bunch had issued, BUNCH:
   1. John^4 Bunch, born about 1715? Died Louisa County, Va, 1777, leaving will dated 8 June 1774, proved 18 Jan 1777; he apparently did not marry. In his will he left 15 lbs to sister Lucresea^4 Meredith; 10 pounds to "Nanny, daughter of William Bunch";"the remaining estate to be equally divided between by three brothers, Samuel, David and James. (His brother Henry had gone southwest to Bedford Co., Va, where he was in the records by 1754). The name of Samuel was accidently omitted from the copy of deed recorded 1742 in Louisa Co. Va., as John says he inherited 100 acres of the 400 in the survey. This left 300 acres to be equally divided by the brothers named - four. John^4 says Wm. & Henry each had 60 acres. If the 300 acres was divided equally and each brother got 60 acres, then there must have been five brothers, not four. John^4 names the other brother in his will, "Samuel".
   2. William^4 Bunch, born about 1718?; married 1754 or earlier to Febe ? (dau born 1755). In 1730 William and John Bunch killed two wolves in Goochland County. John^4 Bunch in his will 1774, left 10 lbs to "Nanny' daughter of William Bunch". This could mean that he, like his brother Henry, had left Louisa Co., or it could mean that he was dead. William sold to his brother John^4, the 60 acres he had by his father"s will (1742). Known Issue:
      1. Anne^5 Bunch, born to"William and Febe 18 Se t 1755 (bible record). This is the only child mentioned in Bible Record of David Bunch, Wm.'s brother. But judging from age of William, he could have had children both older and younger.
   3. Henry^4 Bunch, born about 1720; Married Ann (?Calloway?); went to Bedford County, Va.
   4. David^4 Bunch, born in 1722, married Mary O. ? . Lived Louisa Co.
   5. James^4 Bunch, born about 1724; m. Mary ? ; went to Bedford Co, Va.
   *6. Samuel^4 Bunch, born about 1726; m. Mary ? ; lived Louisa Co., Va.
   7. Lucresea^4 Meredith , named as sister in Will of John^4 Bunch.

6. SAMUEL^4 BUNCH, (son of John^3, John^2, John^1.)

Samuel Bunch, "the Quaker", was born in Hanover (later Louisa) County, Virginia, about 1726?; died Louisa Co. 1783, leaving will dated 30 Jan 1782, proved 9 June 1783; he married about 1746/7, (possibly earlier), Mary ? , who died in 1792. Samuel was not named in the 1742 deed in Louisa Co as son of John, Jr., but he was named as one of his brothers by John^4 in his will; and one son was mistakenly omitted from the list of names in the deed recorded in Louisa Co in 1742. Samuel Bunch "and family" were received in membership in 1748 by the Cedar Creek Monthly Meeting, Hanover Co., Va. If the "family" consisted of only his wife and one child, born about 1748, he was married about 1746/7 at the latest. Samuel patented 400 acres of land in Louisa Co., in 1767; on 11 Jan 1773 he deeded to Pouncey^5 Bunch, his nephew, 60 acres on the south side of the South Anna River. In 1777 Samuel paid 2 tithes, so at that time he had only one son of taxable age (16 or over, so born 1761 or before) at home - apparently this was Samuel Jr. He disposed of 674 acres in his will, in which he named all of his children. We have approximate dates for birth of several of their nine children - no dates at all for John or Ann.

Samuel^4 Bunch had issue: Bunch:

1. Rebecca^5 Bunch, born about 1748 (if 16 when married), married in 1765, ? Meredith. Disowned by Quakers for "marrying out of unity".
2. James^5 Bunch, born about 1750? Died Knox Co., Ky between 1810 and 1820 (census). Left children. (wife not known).
3. John^5 Bunch, born about 1752? Married Mary Asher. Lived in Washington Co., Va., in N.C., and Grainger Co., Tenn - all the same place - boundaries changed. Left children.
4. Samuel^5 Bunch, Jr., born about 1754? Died before 10 Feb 1794, Louisa Co., Va. Was disowned by Quakers for "engaging in military service", (this was during Revolutionary War). His wife was Salley ? . Left children:
5. Ann^5 Bunch, born about 1756? Possibly the Nancy who was condemned 1787 by Quakers at New Garden Monthly Meeting (Guilford County, NC) for marrying "out of unity". No further record.
6. Judith^5 Bunch, born about 1759? She married her cousin, David Bunch, son of David^4 and Mary O. Bunch. Left children.
7. Mary "Molley"^{5} Bunch, born 1761; married in Louisa Co., Va., 26 June 1787, Anthony Bunch, son of David^4 and Mary O. Bunch. She died before 18 June 1797. Left children.
8. George^5 Bunch, born about 1763-5? Went to Knox Co., Ky., where he died between 1810 and 1820 (census). Left children. (This is the ancestor of Mrs. Garland King, Nowata, OK)
9. Charles^5 Bunch, born about 1767? (if 25 when married). He was married 9 January 1792 in Louisa Co., Va., to Mary Bellamy, the daughter of John Bellamy. Charles had been disowned by the Quakers in 1785. He inherited from his father 125 acres; he and wife Mary sold 150 acres 17 March 1792; he was in the records of Grainger County, Tenn from 1797 through 1812. Had 3 children.

1804, Nov 5	George Bunch to James Barbour, deed, 29 acres on Cumberland River
1804, Oct 8	George Bunch to William Sneed, deed, 40 acres on Cumberland River for $100. (This is the way the record read, but I wonder if this could be when he BOUGHT, rather than sold).
1821, Aug 14	B unch, XXX Sarah, 50 acres, in Clay & Knox Counties, Ky., on South Fork of Rockcastle River. Surveyed 14 Aug 1821. Recorded Book Y, p.306. (Ky. Land Grants, by Jillson) (The Clerk's office in Knox, Clay or Laurel Counties could find nothing further on the above land grant).
1830 (about)	Sam, George & Jim Bunch, brothers, came from Kentucky to Missouri, with their mother.

GEORGE^5 BUNCH, son of Samuel Bunch, the Quaker of Louisa County, Va., was born 1765-5? Hanover or Louisa County, Va.; and died in Knox Co., Kentucky (probably) by 1820. He married in Louisa County, Va. on 18th of July 1788, Sally Sargent, the daughter of William and Martha (Patsy) Sargent, of Louisa County. (Louisa Co. Va., Marriage Records. George received by his father's will 200 acres in Louisa Co., Va. George Bunch and his wife Sally sold on 22 Sept 1794 land they had bought in 1790; we found no record of the sale of his inherited land. George was with his brother James Bunch in the 1800 and 1810 census of Knox County, Ky. Neither were there in 1820; probably both deceased by that time. Sarah Bunch was granted 50 acres of land in Clay & Knox Cos., Ky, 14 Aug 1821. (Ky Land Grants). This land was located on the South Ford of Rockcastle River. Surveyed 14 Aug 1821. (The Clerk's office in Knox, Clay or Laurel Counties could find nothing further on this land grant). Sally, with three (3) sons, "Sam, George and Jim" left Kentucky and came to Missouri, probably about 1832.

In the 1810 Census of Knox Co., Ky, both George and his brother James are listed with five (5) sons each, in exactly the same age groups. No proof has been found of which sons belonged to each man, but on the basis of what is known at this time, the family of George would seem to appear as follows:

1. Marshall Bunch, born about 1790, living Daviess County, Mo., 1860, (census) with his nephew Garrett Bunch (son of George Bunch and Elizabeth Wilds). Marshall may hve had a son, Larkin Bunch, who "lived in the West".

The name "Garrett" occurs frequently in the descendants of George and James Bunch of [illegible] Co., Ky. Nothing further is known of this Garrett.
3. Samuel Bunch, born about 1797; married, Clay Co., Ky., 20 Nov 1818, Pheby Parke (or Parker). Samuel settled in what is now Osage Co., Missouri; died there between 1860-1870; had these known children: 1830 1840 1850

Elizabeth (Wild) Bunch died in childbirth about 1843, and is believed to be buried next to her mother in the George Perry Cemetery, near Edinburg, Mo. A rock marks this grave next to the tombstone of Mary (Anthony) Wild. in Mo by 1836
   George Bunch & Elizabeth Wild had these children:

HISTORY OF GRUNDY COUNTY, MISSOURI, 1881. Page 558.

"Saved their scalps." "And right here we will mention a little incident of how the prospect that tomahawks and scalping knives might be doing their bloody work was felt by at least one family. There is no question that the settlers felt a cold chill pass up & down their spinal column at the first news, and just here is where it caught Mr. George Bunch. George had been attending mill and looking after a farm, and wasn't at all anxious to become a second Daniel Boone. The night following the news was an anxious one among the settlers, of which George Bunch, wife and several children were one or more. Quite a storm came up that night, and the wind broke off a limb of a tree near his cabin, and it broke with a sharp snap that sounded for all the world like the crack of a rifle. George heard it and with a bound was out of bed and on his feet, and with blankets wrapped around them the family were hurried out into the open prairie and hid in the grass. The rain came down and the grass seemed damp, but it was so much better than being scalped that George was happy. Just as he thought he was safe, however, the baby, not used to the sudden change, set up a yell and nearly took the hair off of Bunch's head in its rise and his sudden terror. "For God's Sake," said Bunch, "Wife, stop that crying or we will all be scalped." The poor wife and mother was frightened and tried her best to stop the child, and as she could not, she spoke, "O, George, I can't!". George whispered back in awful desperation to "Choke It!", but it stopped before the mother had to resort to extreme measures. It is hardly necessary to say that George and his family saved their scalps, but it leaked out about the choking business, and it was a good many years before George Bunch was done with being greeted,k "Choke it, George".
